Accessing the American Psychiatric Publishing Textbook of Psychiatry through the UA-PTC Libraries website

Start on the UA-PTC home page located at www.uaptc.edu/library.

On the UA-PTC Libraries home page click on the Databases A-Z button. Scroll down through the alphabetical list to the database Psychiatry Online which has online access to the American Psychiatric Publishing Textbook of Psychiatry.

Select Psychiatry Online from the list of databases. If you are off campus you will be prompted to log in with your Portal User name and Password.

To search only the American Psychiatric Publishing Textbook of Psychiatry do not use the search box on this screen. Psychiatry Online contains many books and journals related to psychiatry in addition to the American Psychiatric Publishing Textbook of Psychiatry and using this basic search box will give you information from many more sources than just the American Psychiatric Publishing Textbook of Psychiatry.

To view information from only the American Psychiatric Publishing Textbook of Psychiatry:

1. Mouse over the Books link in the menu bar.
Once you select the **American Psychiatric Publishing Textbook of Psychiatry** the cover will display on the screen.

To browse the table of contents, click the **Part II: Psychiatric Disorders** to browse through the disorders.

Click on a chapter to view the information. In this example we will look at the entry for **Chapter 10: Bipolar and Related Disorders**.

If you have any questions or problems with accessing the American Psychiatric Publishing Textbook of Psychiatry please contact PTC Libraries at 501-812-2272 or email Veronica Stewart, your embedded librarian, through Course Messages or vstewart@pulaskitech.edu.
